

**Summer Informative Writing Prompt – Grade 9 and 10
Assignment is due on the first day of English class.**

Grade 9: Summer Writing Prompt

Write a friendly letter to your 8th grade guidance counselor informing them that you have chosen to come to South Shore Vocational Technical High School. Your letter should include a brief introduction. Then please write a minimum of one paragraph on each on the following topics:

- an overview of your decision making process,
- the opportunities you expect as a result of your decision
- the challenges you imagine you'll face as you enter a new school.

In your closing be sure to restate through summary the most important things that led to your final decision and your plan for success in grade 9.

Grade 10: Summer Writing Prompt

Write a business letter to your 9th grade guidance counselor that provides an overview of your first 6 months in your trade. Your letter should include a brief introduction. Then please write a minimum of one paragraph on the following topics:

- an overview of the first six months
- a description of what you've learned in your trade
- a description of your personal growth such as time management, organization or leadership.

In your closing be sure to restate through summary the most important parts of your vocational learning in 9th grade and your goals for grade 10.
