YEARBOOK

Now and Forever

I WISH I HAD ONE...

Dear Parent:

Chances are, you don't often think about your high school days until someone or something reminds you (like... having your own child in high school!). Then, it's great to be able to get out your old yearbook and reminisce.

Aren't some of your best memories those of your high school years? The special friends, the crazy fun, the times when every experience was momentous. A yearbook is a trip back to times when friends were forever and life was an exciting promise. It captures that feeling and brings those times back again and again.

Someday your kids will want to look back, too. Buy them a little time — buy them a yearbook!

This is your opportunity to order your child's 2012 yearbook. As a "thank you" for your prompt order, the price listed below includes a $10 discount. So please fill out the order form below, tear it off, calculate and attach your payment, and bring or mail to the main office — today!
